Vagabond is the second offering in our limited 375 ml series. With only 500 bottles made, this beer is from one of the only barrels to move with us into our new brewery three years ago. Aged four years in American oak barrels, it boasts a complex aroma of maple syrup and port, with background notes of marzipan, plum and dill. Flavors of tart, unripened plum and caramel, give way to a warming, toasted almond finish.

As always... an adventure.
